III. Membership Report:

IV. Summary of 2005-2006 Activities
• Sponsored/co-sponsored 2 symposia in Baltimore. Two oral sessions (well attended) plus poster sessions
• Nine applicants for the GORG awards, with high standard of winning applications

V. Planned Activities for 2006-2007
• AADR – 2 symposia sponsored/co-sponsored
• IADR - 3 symposia bids for sponsorship/co-sponsored (awaiting outcome of submissions)
• Invitation to respond to WHO global strategy for oral health of older people document
• Satellite meeting over two days after the Brisbane meeting. This has been sponsored by Colgate ANZ and will cover both technology transfer for the management of older people and the global research needs resulting from the WHO document.
• Finding ways to extend the global membership of GORG

VI. Hot Research Topics
• Prevention in older adults continues to be a key topic area
• Novel treatment techniques relevant to older adults, including the use of techniques and materials to manage root caries effectively
• Oral health and general health links, particularly related to infection
• Social trends in oral health and the impact on service provision.
