

Canadian Oral Health Summit

June 20–22, 2024

Halifax, NS

Save the date for the 2024 Canadian Oral Health Summit

You are invited to join us for the inaugural Canadian Oral Health Summit. This three-day conference will bring together students, researchers, health professionals, leaders in Canadian oral health care, and others interested in oral health, to foster collaboration, explore novel approaches and technologies, and advance oral health in Canada and internationally.

Event Details:

Date: June 20–22, 2024

Location: Halifax, Nova Scotia, Canada

Format: Business meetings, interactive and training workshops, plenaries, scientific symposia, oral and poster presentations, networking opportunities.

Organisers: Association of Canadian Faculties of Dentistry (ACFD), Canadian Association for Dental Research (CADR), Network for Canadian Oral Health Research (NCOHR) and the Institute of Musculoskeletal Health and Arthritis (CIHR-IMHA)

Program to include:

- What's new in oral health care in Canada and internationally
- The impact of Generative AI on oral health, education and research
- Attracting and retaining the next generation of researchers and professionals
- Launch of the National Oral Health Research Strategy
- A broad range of research presentations on craniofacial biology, microbiology, immunology, epidemiology, health services, and much more
