

2025 AADOCR/FNIDCR/ADEA Advocacy Day

Washington, DC • April 2-3, 2025

#FundOralHealth

Improving Oral Health Is Our Shared Responsibility

You can make a difference today! Share your support for funding oral health online.

Below are sample Tweets, Facebook and Instagram posts that you may use on Advocacy Day, but we invite you to create your own and make them personal. **Be sure to use #FundOralHealth hashtag when posting about Advocacy Day.**

X (formerly Twitter):

1. Join @AADOCR @ADEAAGR in asking Congress to appropriate \$43.67 million for Title VII Oral Health Training Programs @HRSAGov. #FundOralHealth
2. Join @AADOCR @ADEAAGR in asking Congress to appropriate \$520.16 million for @NIDCR. #FundOralHealth
3. Oral health is integral to overall health. Continued investments in @NIH @NIDCR and @HRSAGov are critical to improving the health of our country. Let's make a difference together! #FundOralHealth
4. Thank you @[insert your Member of Congress] for meeting with us today to discuss the importance of dental and craniofacial research! #FundOralHealth

Facebook:

1. As we take to the Hill for the ADEA/AADOCR/Friends of NIDCR Advocacy Day, we're sharing with Congress the importance of supporting NIDCR and Title VII Oral Health Training Programs! Let's make our voices heard! #FundOralHealth
2. We just had a fantastic meeting with [insert your Member of Congress] during the ADEA/AADOCR/ Friends of NIDCR 2025 Advocacy Day! We discussed the importance of funding Title VII Oral Health Training Programs at the \$43.67 million dollar level and funding NIDCR at the \$520.16 million dollar level. Feeling hopeful for positive results! #FundOralHealth
3. Another successful ADEA/AADOCR/Friends of NIDCR Advocacy Day meeting in the books! We met with [insert your Member of Congress] to discuss funding NIH at the \$51.3 billion dollar level and the need to maintain current negotiated F&A rates. #FundOralHealth
4. Today is our ADEA/AADOCR/Friends of NIDCR Advocacy Day! Join us in advocating for oral health training programs and dental research funding. #FundOralHealth #AADOCRAvocacyDay #ADEAAvocacyDay

Instagram:

1. We're here to tell Congress about the importance of funding Title VII Oral Health Training Programs at the \$43.67 million dollar level. This funding makes dental education accessible and helps address workforce shortages. This funding is critical so that we can Make America Healthy Again! #FundOralHealth
2. We're here to tell Congress about the importance of funding NIDCR at the \$520.16 million dollar level. This funding makes advances in oral health research possible and positively impacts millions of Americans. Let's Make America Healthy Again! #FundOralHealth
3. Just wrapped up a great meeting with [insert your Member of Congress] for the ADEA/AADOCR/Friends of NIDCR 2025 Advocacy Day! We highlighted the need to support NIH funding at the \$51.3 billion dollar level and the importance of maintaining current negotiated F&A rates. #FundOralHealth
4. I'm a champion of #OralHealth – are you? #FundOralHealth [insert your Member of Congress]
