MESSAGE FROM SRG PRESIDENT

Dear friends and colleagues,

I hope this message finds you and your families healthy and well.

I'm writing to share some exciting updates about our group and what's coming at the IADR meeting in Barcelona next week.

Our SRG Program Committee, led by **Dr. Kimberly Jasmer**, has prepared an outstanding schedule. We are very proud of the quality of the sessions and the incredible science that will be presented. But even more than that, we are looking forward to reconnecting with all of you in person, in beautiful Barcelona.

I also want to share something very important. Right before our traditional Salivary Research Group Business Meeting and Reception on Thursday, we will be hosting the **Saliva Consensus Meeting**. This is a key milestone for our group and for the future of salivary science. Our goal is to work together to **define standards for saliva collection, processing, and analysis**, and to **advance evidence-based guidelines for saliva assessment in clinical practice**.

This meeting will take place on **Thursday, June 26, 2025**, from **5:00 to 6:00 PM**, right before our SRG Business Meeting and Reception, and it will be held in room M220 at the CCIB.

I truly hope to see as many of you as possible there. This is our moment—as a community and as leaders in salivary research—to **shape the future of saliva science together**, and to **strengthen the bridge between research and clinical practice**.

See you very soon in Barcelona.

All the best,
Debora Heller
President – Salivary Research Group

WEDNESDAY,

JUNE 25

Challenges in the Use of Saliva for Diagnostic Purposes

LOCATION: • 113 CCIB

10:00AM - 11:30PM (CEST)

SESSION TYPE

SYMPOSIUM

SPONSORING SCIENTIFIC GROUP/NETWORK

CARIOLOGY RESEARCH - SALIVARY RESEARCH

THURSDAY,

JUN 26

Saliva for Systemic Disease Diagnostics and Monitoring

LOCATION: • 114 CCIB

8:00AM - 9:30AM (CEST)

SESSION TYPE

SYMPOSIUM

SPONSORING SCIENTIFIC GROUP/NETWORK

SALIVARY RESEARCH

Keynote Address: The Importance of Macrophage Crosstalk in Facilitating Salivary Gland Regeneration

LOCATION: • M220 - CCIB

2:00PM - 3:00PM (CEST)

SESSION TYPE

ORAL SESSION

SPONSORING SCIENTIFIC GROUP/NETWORK

SALIVARY RESEARCH

Saliva as a Clinical Specimen for Disease Monitoring and Diagnosis

LOCATION: • EXHIBIT & POSTER HALL - CCIB

3:45PM - 5:00PM (CEST)

SESSION TYPE

POSTER SESSION

SPONSORING SCIENTIFIC GROUP/NETWORK

SALIVARY RESEARCH

THURSDAY,

JUN 26

IADR Salivary Research Group: Saliva Consensus Meeting

LOCATION: • M220 - CCIB

5:00PM - 6:00PM (CEST)

SESSION TYPE

CONSENSUS MEETING

SPONSORING SCIENTIFIC GROUP/NETWORK

SALIVARY RESEARCH

IADR Salivary Research Group Business Meeting and Reception

LOCATION: M220 - CCIB

6:00PM - 7:00PM (CEST)

FRIDAY,
JUNE 27

Ion and Fluid Transport in Salivary Glands

LOCATION: • 114 - CCIB

8:00AM - 9:30AM (CEST)

SESSION TYPE

SYMPOSIUM

SPONSORING SCIENTIFIC GROUP/NETWORK

SALIVARY RESEARCH

Saliva: Composition and Function

LOCATION: EXHIBIT & POSTER HALL - CCIB

11:00AM - 12:15PM (CEST)

SESSION TYPE

POSTER SESSION

SPONSORING SCIENTIFIC GROUP/NETWORK

SALIVARY RESEARCH

SATURDAY,
JUNE 28

Salivary Gland Disorders: Neoplasms, Inflammation, and Radiation-Induced Damage

LOCATION: • EXHIBIT & POSTER HALL - CCIB

11:00PM - 12:30PM (CEST)

SESSION TYPE

POSTER SESSION

SPONSORING SCIENTIFIC GROUP/NETWORK
