IADR and AADOCR Announce Recipients of the *Journal of Dental Research* Cover of the Year Award, 2025

Alexandria, VA, USA – The International Association for Dental, Oral, and Craniofacial Research (IADR) and the American Association for Dental, Oral, and Craniofacial Research (AADOCR) have announced the recipients of the *Journal of Dental Research* Cover of the Year Award, 2025. The recipients were recognized during the Opening Ceremonies of the 104th General Session of the IADR, which was held in conjunction with the 55th Annual Meeting of the AADOCR and the 50th Annual Meeting of the Canadian Association for Dental Research on March 25-28, 2026 in San Diego, CA, USA.

The recipient is for the cover paper: *DNMTi@ZIF-8 Enhances Biomimetic Pulp Regeneration via Epigenetic Regulation*

Z. Li, M. Wan, D. Cui, Q. Tian, Y. Li, S. Yu., L. Zheng, L. Ye.
J Dent Res 104 (7):743-752

Selected by the IADR/AADOCR Publications Committee, the award honors the cover that features an aesthetically pleasing, scientifically novel image that enhances the impact of the article.

About IADR/AADOCR

The International Association for Dental, Oral, and Craniofacial Research (IADR) is a nonprofit organization with a mission to drive dental, oral, and craniofacial research for health and well-being worldwide. IADR represents the individual scientists, clinician-scientists, dental professionals, and students based in academic, government, non-profit, and private-sector institutions who share our mission. The American Association for Dental, Oral, and Craniofacial Research (AADOCR) is the largest division of IADR. Learn more at www.iadr.org.
