

## **Simone Sleep**

Dr. Simone Sleep is a highly qualified candidate for the IADR ANZ Division Executive Committee Secretary position, bringing a unique blend of scientific expertise, proven leadership, and entrepreneurial acumen. With a PhD in Dental Research and a strong background in biomedical science, Dr. Sleep is deeply passionate about advancing oral health science. Her experience as Treasurer for a large professional association and as a Board Director at Griffith University demonstrates her robust organizational and financial management capabilities, directly aligning with the IADR Secretary's responsibilities for annual reporting, financial oversight, and liaison with Headquarters.

Beyond her academic and governance roles, Dr. Sleep's initiative in founding and directing Oral Health Awareness Campaigns highlights her commitment to community health and her ability to secure grants and deliver impactful educational programs. Her entrepreneurial spirit, coupled with strengths in marketing and event coordination, will be invaluable in enhancing IADR divisional activities and member engagement. Dr. Sleep's recent industry internship at Dentroid, garnering significant media attention, further underscores her innovative approach and ability to foster collaborations.

Her well-organized and structured approach, combined with a strong advocacy for oral health, makes her an ideal candidate to support the IADR's mission. Dr. Sleep is eager to contribute her diverse skill set to strengthen the collective impact of the IADR community. Including access to her LinkedIn profile (<https://www.linkedin.com/in/drsimone-l-sleep/>) would be highly beneficial, allowing members to explore her extensive achievements, collaborations, and dedication to oral health advocacy in greater detail.
