

Amaury de Jesús Pozos Guillén

Dr. Amaury Pozos-Guillén is currently a Research Professor at the Faculty of Dentistry, Head of the Basic Sciences Laboratory and Leader of the Academic Group of Biomaterial Sciences. He studied for his Bachelors in Dentist Surgery in the Faculty of Dentistry at San Luis Potosi University. He holds a Master of Science in Clinical Research and a PhD in Basic Biomedical Sciences from the Faculty of Medicine at San Luis Potosi University. He has made academic and research stays at the Universities of Osaka, Japan; Montpellier, France; Liege, Belgium; and Costa Rica. He has been a member of the National System of Researchers (SECIHTI) since 2005. He is an active member and current President of the National Society of Dental Researchers, A.C., and a member of the International Association for Dental, Oral, and Craniofacial Research (IADR). He is also a Scientific Consultant for the IADR, Mexican Division. He is a member representing Mexico of the expert group for the first Regional Consensus on Cariology "Prevalence, Perspectives, and Challenges of Dental Caries in Latin American and Caribbean Countries," 2021. He has contributed to more than 250 peer-reviewed and indexed national and international scientific publications and 7 book chapters, with more than 2,250 citations and an h-index of 24 (WOS) (as of March 2025). He is a national and international speaker. His research focuses on the topics of biomaterials, pharmacological–clinical management of pain and oral manifestations in pediatric patients.
